Evangelist • Chad Jay Salyn

Chad is a travelling pastor for Abiding Life Ministries, Canada. He is Tracy's husband, a father of 3 and travels Canada and the world sharing the wonderful message of Life in Christ. His favourite quote is "There is nothing the nearness of Christ cannot overcome in your life!"

Bible Teacher • Ross Helgeton

Ross has a passion for helping Christians to intentionally read, believe, meditate upon, unpack and practically apply the powerful, life-changing and God-glorifying principles found in the Scriptures to their lives. After retiring from full-time pastoring, He and Colleen, his wife, faithful supporter and co-minister of 47 years, opened Hope Counselling and Pastoral Services in Stettler, then in Olds where he continues to practice. They have 3 children and 6 grandchildren.

Church in Action • Mercee Mc Issac

Mercee grew up attending the Alberta Ashram. In January she headed to The Netherlands for 3 months of cultural and ministry training with Youth With A Mission, after which she went to Indonesia. She is excited to share her YWAM experiences with us.

What is a Christian Ashram?

The Christian Ashram, a spiritual retreat, was introduced to this country by the late Dr. E. Stanley Jones, world famous missionary, evangelist, and author. The word "Ashram" is from the Sanskrit, meaning "away from work." Dr. Jones said Christians should have such a retreat with Jesus Christ at the head.

For a time, people can leave their busy lives behind to find a new rhythm of life focused on Jesus. We open our hearts to God and each other and come home refreshed and full of joy. The disciplines we practice at a Christian Ashram can transform the way we live all year long.

The Christian Ashram is interdenominational and interracial. We endeavour to remove all barriers that separate Christians one from another. Not only barriers of class and position, but barriers of envy, resentment, grudges, unforgiveness and prejudices are broken down. Often the family relationships are restored and loyalty to Christ and the Church renewed.

The goal is for all who attend to go forth proclaiming with their lips and with their lives that "JESUS IS LORD."

The Children will have fun with Bible lessons, music, crafts and games. They will learn what it means to make Jesus the Lord of their lives.

The Family

We seek to develop a sense of family with an openness and depth of Christian fellowship. What we do, we do together. This calls for a quality of discipline in which we meet together, share together, struggle together, pray together, rejoice together.
